Candidates Filing by Petition (ORS 221.180, 249.002-249.048, 249.061-249.076)

The following information for city candidates is provided in the order in which the activities generally occur and includes explanations and time frames for each activity.

For city offices, city charter or ordinance requirements may differ from state statutes. For more information and specific requirements, contact the city elections official before filing.

All Candidates for City Office

Qualifications for various city offices differ. Before filing for public office, a candidate should review the city charter and statutory requirements for the office sought.

Candidates for city offices file under ORS Chapters 221 and 249.

Warning

A person may only file for one lucrative office at the same election. Unless the person has withdrawn from the first filing, all filings are invalid.
ORS 249.013(3)

City Elections Official

The city elections official provides the following approved candidate filing forms, available at the back of this manual and online:

- Filing of Candidacy for Nonpartisan Nomination (SEL 120)
- Petition for Nonpartisan Nomination Signature Sheet (SEL 121)
- Statement One or More/No Petition Circulators Will Be Paid (SEL 301)
- Statement of Organization for Candidate Committee (SEL 220)
- Campaign Account Information (SEL 223)

Warning

All signature sheets must be approved in writing by the city elections official, before circulating. Failure to do so will result in the rejection of those signature sheets.

Candidates Filing by Petition

1. A candidate may have only one candidate committee. A prospective candidate establishes a candidate committee by opening a campaign account and filing a Statement of Organization for Candidate Committee (SEL 220) and

Campaign Account Information form (SEL 223) with the Secretary of State, Elections Division.

The candidate is not required to establish a campaign account, file a Statement of Organization or file contribution and expenditure transactions, if **all three** of the following conditions are met:

- the candidate serves as the candidate's own treasurer
 - the candidate does not have an existing candidate committee
- and*
- the candidate does not expect to receive or spend more than \$350 during a calendar year

The \$350 includes personal funds spent for any campaign related expenses, such as any costs related to circulating a nominating petition, paying the candidate filing fee, paying any Voters' Pamphlet filing fee or cost of a Voters' Pamphlet portrait. If the candidate exceeds \$350 in either contributions or expenditures, the candidate must establish a campaign account and file a Statement of Organization within three business days after exceeding the threshold. Additionally, all contributions and expenditures made during the calendar year must be filed electronically not later than seven calendar days after the threshold has been exceeded.

If the candidate has an existing candidate committee, the candidate or treasurer must file an amended Statement of Organization for Candidate Committee (SEL 220) within 10 to reflect any changes (designation of office sought, applicable election, etc.), but no later than the date of the filing of candidacy.

For further detail on campaign finance requirements, see the [Campaign Finance Manual](#) and the ORESTAR User Manual. ORESTAR (Oregon Elections System for Tracking and Reporting) is the Secretary of State, Elections Division's secure, web-based electronic reporting system.

Deadline to File a Statement of Organization

The Statement of Organization must be filed within 3 business days of receiving a contribution or making an expenditure, but no later than when the completed petition is filed.

2. Before circulating the nominating petition, the candidate files a prospective petition with the city elections official.

See [signature sheet requirements](#).

Checklist for Filing a Prospective Petition

Below is a checklist of all the components required to file a **prospective** nominating petition:

- Filing of Candidacy for Nonpartisan Nomination (SEL 120) check-marked "Filing of Candidacy by **Prospective**

Petition." See suggested [guidelines](#) on completing required sections on this form.

Petition for Nonpartisan Nomination Signature Sheet (SEL 121)

Statement One or More/No Petition Circulators Will Be Paid (SEL 301)

City Elections Official

As soon as possible, the city elections official reviews the prospective petition for required information. The city elections official gives **written** approval for circulating the petition and advises the candidate of the number of signatures required.

Candidate Filing By Petition

1. Before circulating the nominating petition for signatures, the candidate reviews with the circulators **all of the guidelines** for circulating the petition. Failure to comply with the legal requirements and guidelines will result in the rejection of these sheets. The guidelines are:

- all signers **must** be active registered voters in the candidate's electoral district
- all signers on any one petition sheet **must** be registered in the same county
- all signatures **must** be original signatures
- all signatures **must** be personally witnessed by the petition circulator and circulator's certification **must** be completed and dated after all signatures on that sheet have been collected
- circulators **must not** attempt to obtain signatures of persons knowing that the person signing the petition is not qualified to sign it
- circulators **must** personally sign their legal signature on the petition circulator's certification with a minimum of a first name initial and full last name
- circulators **must not** alter, correct, clarify or obscure on the signature sheet any information about the petition signer unless the signer initials the changes made. Only a signer **may** complete the information about themselves, such as their printed name, address and date signed. However, a circulator **may** assist a disabled signer who requests assistance in completing the optional information
- circulators **must not** accept compensation to circulate a petition that is based on the number of signatures obtained

and

- circulators **must** complete the date when the certification is signed and **should not** collect any other signatures on that sheet unless the additional signatures are certified

For instructions on certifying new signatures to a petition sheet that has already been certified and dated by a circulator, see [OAR 165-014-0270\(4\)\(d\)](#).

See [petition signer and circulator requirements and circulator certification guidelines](#).

Warning

Violations of certain circulator requirements may result in conviction of a felony with a fine of up to \$125,000 and/or prison for up to 5 years.

2. The candidate circulates the nominating petition by:

- obtaining more than the required number of signatures to ensure the petition contains a sufficient number of valid signatures
- ensuring each signature sheet certification is signed and dated by the circulator

and

- submitting the signature sheets to the appropriate county elections official for signature verification

A candidate must allow enough time to have the signatures verified before the filing deadline.

3. The county elections official reviews signature sheets for sufficient circulator certification (see OAR 165-014-0270, page 67), verifies the original signatures against the voters' current registration card and returns the certified signature sheets to the candidate. The county may confer with the Secretary of State on the proper application of this rule.

Signature and Distribution Requirements (ORS 249.072)

Generally, the number of active registered voters' signatures required to place a candidate on the ballot is based upon a percentage of voters registered in the electoral district or upon a percentage of votes cast at a previous election. Confer with the city elections official for specific requirements.

Unless a city charter or ordinance provides otherwise, the number of signatures of active voters registered in the electoral district must equal the lesser of 500 signatures or 1% of the votes cast in the electoral district for all candidates for Governor at the last general election at which a candidate for Governor was elected to a full term. This number will be calculated after the prospective petition is filed.

The signatures must include those of active voters registered in each of at least 10% of the precincts in the city.

The candidate files the **completed** nominating petition with the city elections official consisting of the following:

- new Filing of Candidacy for Nonpartisan Nomination (SEL 120) check-marked "Filing of Candidacy by **Completed** Petition." See suggested [guidelines](#) on completing required sections of this form
- Statement One or More/No Petition Circulators Will Be Paid (SEL 301) marked completed and signed by the candidate

and

- signature sheets with the sufficient number of signatures verified by the appropriate county elections officials

**Deadline to File the Completed Nominating
Petition**

The deadline is no sooner than September 10, 2009, and no later than 5pm on March 9, 2010, for the 2010 Primary Election. If a city does not hold a Primary Election, the filing deadline is no sooner than June 2, 2010, and no later than August 24, 2010, for the 2010 General Election.
