## Message from the Manager

As we approach changing seasons, I would like to take a few moments to encourage you to visit the Aquatic Center and experience one of the many new programs we have to offer.

- **“Tots-N-Tow”** is what we now call our regular parent-tot swim on Fridays from 11:00am – 1:00pm. We changed the name to lessen the confusion with our Parent-Tot swimming lesson program.
- Many **Fitness Challenges** are planned to occur throughout the year. The “Olympic Odyssey” challenges participants to accumulate enough “virtual miles” to make the trek from Woodburn to Whistler in Vancouver B.C., the site of the Winter Olympics. See page 10 for details.
- To help you decide if this challenge is for you, you are encouraged to check out one of our fitness programs, using the new **“Give it a Free Try”** pass. These passes are available during the first week of January, and provide access to a water exercise class, lap swimming program, or use of the dryland fitness equipment.
- Also, please visit the **Special Opportunities** section to the left and throughout this guide to find information on **Lesson Parent Punch Cards, April Pool’s Day, Teen Focus, Dr. Seuss’ Birthday Book Drive, Special Promotions/Discounts**, and much more. If you haven’t visited us for awhile, please take the time to stop by. I think you’ll find that we really have something for everyone.

Operation Weed and Seed is a strategy within the United States Department Justice's Office of Justice Programs that incorporates community-based initiatives. It is an innovative and comprehensive multi-agency approach to law enforcement, crime prevention, and community revitalization.

Operation Weed and Seed initiative "weeds out" undesirable elements such as violent crime, gang activity, drug use, and drug trafficking in a targeted area of the community. The program then "seeds" the area by restoring those neighborhoods through a variety of social and economic revitalization activities.

## MISSION

Through the Weed and Seed Strategy, the community of Woodburn hopes to:

- Identify gaps in services that are essential to successful re-entry to the community after incarceration.
- More effectively identify the children and youth who have the highest level of risk factors that push them into gangs; including but not limited to:
  - Family Factors • Peer Groups • Social Deficits
  - Lack of Family Opportunities • School Problems • Juvenile Delinquency
- Enhance the capacity of the community to provide preventative programming for children and youth.
- Enhance the economic viability of the community through sustainable employment.
- Enhance the law enforcement capabilities in regard to violent gang and drug activities.

## WOODBURN WEED & SEED

Woodburn Weed and Seed uses a strategy that combines four specific components:

1. Community Policing: bicycles for police officers, increased downtown visibility, Gang Resistance Education and Training (GREAT) for kids, Police/Parole Officer Team home visits, etc.
2. Law Enforcement: Meth Task Force, increased drug and gang

arrests and convictions, gang suppression, etc.

3. Preventative Intervention: community center (Safe Haven), youth programs, parenting classes, etc.
4. Neighborhood Restoration: community gardens, improved public lighting, neighborhood clean-ups, neighborhood meetings, etc.

## IN YOUR COMMUNITY

Woodburn Weed and Seed is hard at work in your community. Below are examples of Weed and Seed operations, activities and education programs:

1. Settlemeir & Legion Park Teen Centers - free activities for teens grades 6-12, open Monday-Friday, 3:30 – 7:30 pm.
2. Graffiti Kit - Check out paint, brushes, etc. to clean up graffiti on your property.
3. Police Patrol Bicycles - will allow Woodburn Police Officers to patrol the Downtown area more effectively
4. Gang & Drug Education - classes in drug prevention and refusal skills are being taught to students in the after-school programs at all elementary and middle schools in Woodburn.
5. Probation Tracker Program - Teams of Woodburn Police Officers and Marion County Juvenile Probation Officers visit youth on probation to ensure compliance and offer services.
6. Police Overtime - Weed and Seed funds much-needed Woodburn Police Overtime costs to support ongoing and new operations.
7. High School Completion - Provides a tutor for Chemeketa Community College high school completion, GED, and ABE students.
8. Strengthening Families Workshop - Supports Marion County Health Department in offering a Strengthening Families Workshop.
9. Weed & Seed Parent Nights - Providing families with information on drugs and gangs in their communities.

**CAN'T COME TO THE LIBRARY?  
THE LIBRARY COMES TO YOU!**

Are you stuck at home? Our Homebound program brings books to people who can't get to the library due to illness or disability. Call the Library at (503) 982-5252 and ask for Christine, our homebound librarian. After a brief interview, we'll choose regular-print books, large-print books, audiobooks or other materials based on your preferences. We offer all kinds of books, from thrillers and romances to non-fiction and biographies. We have books on every topic under the sun, and many are available in large print. Each month you'll receive new selections and have a chance to give feedback and update your choices. With our Homebound program, you can keep up with your favorite authors and keep reading, even if you can't make it into the library.

**WOODBURN LIBRARY BOOK CLUB**

Did you know the Woodburn Public Library has a book club? We meet the second Thursday of every month at noon at the library. Here's how it works: you read the book on your own time. If you don't already own a copy, you can check one out from the library. On the book club date, come to the library ready to talk about the characters, story, themes, and more. Here's what we're discussing this winter:

**January 14:**

*The Adventures of Tom Sawyer*  
by Mark Twain

**February 11:**

*Broken for You* by Stephanie Kallos

**March 11:**

*That Old Ace in the Hole* by Annie Proulx

**April 8:**

*To Kill a Mockingbird*  
by Harper Lee

It's an easy way to read some great books, exercise your mind, meet some fellow readers, and have fun! Since we meet at noon, you are welcome to bring your lunch. We always have enough coffee, pop, and delicious cookies for all. New readers are always welcome! Call the Reference Desk at 503-982-5252 for more details.

## CULTURAL PROGRAMS

### Aztec Dance Group Huitzilopochtli

In the Aztec language of *nahuatl*, the word Huitzilopochtli, means “the new sun” and “strength of your will.” The Aztec civilization celebrated Huitzilopochtli every year during the winter solstice, the longest night of the year which would be followed by the birth of a new rising sun.

Jose Carlos, the founder and leader of the Aztec Dance Group Huitzilopochtli, has been investigating his Aztec ancestry for the past 15 years. He and his wife, Kelly Carlos, are both dedicated to teaching the Aztec traditions to the Woodburn community. Jose, as an employee of the Woodburn School District, is passionate about teaching the Aztec Dance to Woodburn students.

And both Kelly and Jose volunteer their time on Saturday afternoons to teach any Woodburn families interested in Aztec dance and culture.

The Saturday dance circle focuses on teaching dance, traditional songs, the nahuatl language, respect for elders and community speaking. The group dances and sings at various presentations and ceremonies throughout the year.

### Yearly Events

Huitzilopochtli (Winter solstice), Aztec New Year, Cesar Chavez celebrations, Day of the Child (at French Prairie), presentations for the Woodburn Library, Washington Elementary carnival, Day of the Dead, 12th of December.
